Hygiene Centre

FEATURES

- Mobile/stationary hygiene centre
- Mobile - During ward rounds
- Stationary - Entrance to a room or ward
- Locates items for infection control on a central unit (removing the need for wall mounted holders)
- Work surface (angled to discourage clutter)
- Alcohol gel holder, compatible with 70 x 70 x 225mm/500ml bottles
- Dispensing unit with triple glove box holder and roll type apron dispenser
- Five leg heavy duty steel base with seamless polyurethane over moulding providing a flexible tear and water resistant finish allowing for easy & effective cleaning (including steam cleaning)
- Offers impact protection to the fabric of the building
- Seamlessly welded frame from 304 grade stainless steel for strength & ease of cleaning
- Polymer heavy duty 75mm twin wheel castors shielded from fluid, 2 off braking
- Standard base colour grey but also available in green/blue/red/yellow to assist segregation, reducing the risk of cross contamination (minimum order quantity & additional costs may apply)

DIMENSIONS (w x d x h)

- Overall Dimensions - 620 x 620 x 1175mm

STANDARD COLOURS

- Frame - Stainless Steel
- Work Surface/Dispensing Unit - Grey (Solid Grade Laminate)
